WATER RATING
www.watermarking.gov.au

Australian Standard

Foshan is specialized in the production of high quality faucets and bathroom accessories, located in Foshan city, Guangdong Province. With more than 16 years' experience, we have established effective production management, quality control standard, customer service routine and export procedure.

is the ideal choice for Star hotels, Luxury apartments, Villas, Resorts, and Modular projects, with full range of bathroom products. As we meet the innovative, high-quality and attentive service requirement of the customers, we insist on carrying the marketing strategy of value, but not prices. We persist in providing our customers the best bathroom design schemes, one-stop shop bathroom solutions, and consistent after-sales service. After years of hard working, products have been exported world widely with an excellent reputation, and won the trust and love from lots of customers.

"Quality is our culture!" will continue to uphold the win-win principle, to bring the creative and healthy products to your bathroom, as we believe that our customers deserve only the best.
